**Library of Social Science** is once again organizing the publication exhibit for this event. An entire room, 177 Grace Dodge Hall, will be dedicated to the book exhibit—directly adjacent to registration and coffee breaks. Our exhibit is a major attraction of this meeting, offering participants an opportunity to select from a comprehensive collection of the latest and most significant titles in the field.

**This is the best meeting of the year to promote your books and journals on multiculturalism, race, social class, gender, sexual orientation, counseling, social work, education and psychology to leaders in the field who seek monographs and texts for research and course use.**

Our professional exhibit managers will be on-site from the beginning of the conference to its conclusion. We actively promote your books by discussing them with conferees, distributing promotional material, selling books on-site using publisher-supplied order forms, and urging attendees to consider titles for course adoption and library acquisition.

**Please fill in and fax your reservation now to hold a place for your press.**
